## August Picnic and Auction

Our August meeting begins the fund raising activity to our 56th Canary-Finch show in October, with our annual Auction and Picnic. Over the years we've auctioned off everything from apples to tables to trees. We've had plenty of old cages, books, pies and purses. Last year we had a dozen birds; pairs and singles, hookbills and finches. Of course, all this is made possible when you bring in the best stuff you need to recycle, which can certainly include birds and their paraphernalia! Then it's on to the other fun part -- socializing and buying great stuff! I've heard rumors that there will be pairs of shaft tails, red rumps and English budgies as well as back issues of bird talk magazine and a paper shredder! Wow! This is an actual lunch meeting so instead of our usual great snacks, please look up your favorite picnic recipes, mix them up, and bring them to share.

Coming up in September we'll be organizing and volunteering for actual projects at the Show, the Raffle and the Bird Mart. Time to be thinking of buying a table at the Mart (talk to Terese) and please be jotting down ideas on things we could do better than we did last year. I'm especially interested in talking with someone with experience in Silent Auctions. I also ask that you turn in to me copies of the Newsletter that you don't intend to save so that we can have a stack on hand to hand out to people who attend the Show and Bird Mart.

See you Sunday!

Janna

Our July Aviary Tour was a great success, despite the heat. Everyone got to see our different flights and the aviary and all my 'babies'. We grilled hotdogs and sausages and had plenty of other things to eat. That was the week of triple digits, so we were happy with 95 degrees. No one wimped out and went into the house with the A/C, although we did all sit under the patio with the fan blasting our hair straight back while we ate and visited. Thanks for coming, we enjoyed having the club here. See photos on page three.

**Sonora Bird Mart—September 12th !!**

We are planning to rent a table at the Sonora Bird Mart, up at the fairgrounds, again this year. We've taken a table for the last several years and been able to promote our club, as well as provide a table for our members to share and sell their birds. Please give Janna a call (209-862-3792) as soon as possible if you're interested in selling. The table is very reasonable if shared by a few people, and the club kicks in a share, too. They usually have a very nice turnout, and it's fairly close for most of us.

If you would like to receive the Newsletter via computer on your e-mail, please let Jim Carter know (209 996-6615) . It would save the Club postage, printing and paper cost each month . We have already converted almost half of our membership to email newsletters. **GO GREEN !!**

Personal ads (like these) are free to members. Sometimes members would like to trade birds, to vary the bloodlines, rather than just selling them. Let the newsletter staff (Jim Carter, Terese Davis or Janna Place) know if you would like to place an ad. We also accept ads from non-members if we think our members will be interested (still free).
