Two of our newer members took entries to the Fourth Annual West Coast Zebra and Society Finch Show. Lily Curd and Mario Talamantes, both from the Sacramento area, entered birds in several divisions. They are both new to the world of showing, but were well-rewarded with nice, top-bench placements. Mario's Dark Eyed White Society Finch was the number 5 bird in the top ten line up(Standard Society) and also was judged as the Best Novice bird in that division. Lily's Bonten (crested) Society was placed at 8th Best Society in the Rare Division, and was awarded the Best Novice Bird in that division.

The entry at this show consists of birds from the top breeders on the west coast, and these results show that even the "new guys" can compete with the "old-timers".

Congratulations to these two new exhibitors and we will be rooting for them at our club's show in October. Nice job Lily and Mario !

The Sonora Bird Show and Bird Mart

Yes, they did have a bird show along with the bird mart! This is the first time I've seen a show there. I only passed by a few times, but they had the show set up right next to the mart, just like our club does. They were showing hookbills; cockatiels and budgies (from my quick pass through).

It was a wonderful bird mart. CCCBC had our booth set up and Janna and Joel Place did a great job with literature and displayed our brand new banner. Angel Rodriguez came and helped out, and Jimmy and I helped for the short while we were there. There were more birds than I've ever seen at one of their marts and it was wonderfully run. People were buying!! Joel went around to all the vendors and passed out flyers for our upcoming show and mart, and I would love to have some of those vendors at our event. They had a very nice turnout and all the booths seemed to be busy.

We're now collecting reservations for sale tables for our Halloween show. Tables are \$30, and you can also rent a half table, if you only have a few birds to sell. We really want local breeders to have a local birdmart, without having to run ads or go to the Bay Area. Give me a call at 209-869-5066 if you would like to reserve a table.

Annual Bird Show Auction

The tables were covered with many quality donations to the auction that benefits the October Bird Show. The room was full of bidders hoping to win their selections and Joel Place did a great job of separating us all from our money, and adding to the coffers for the show. To the members who brought in the auction items as well as those who took part in the bidding, a sincere, big THANK YOU ! In light of the financial crunch affecting us all this year, your generosity is especially appreciated.

Thank you !

Bird Club Minutes for August Picnic and Auction

August 16th, 2009

The meeting began at 1:25 and 28 people were in attendance including renewing member, Darla Azevedo, and visitors, David and Mindy and their 5 children.

There were no minutes from the previous meeting. The treasurer's report was given and approved by vote.

There was no unfinished business. Under new business, Nate Stoller suggested that we have t-shirts printed for the October bird show for those who participate in helping. Tony will do some research into it and the next newsletter will have the details.

****New signs are being made for the show and also for our regular meetings.**

****Janna is looking for someone to do the auction for the show.**

****Janna is looking for old copies of the newsletters that can be given out to potential new members or those interested in seeing what our club is about.**

****September 12th is the Sonora Bird Show and Mart. Our club will purchase a table so any members who want to sell birds can have a spot. Let Janna know if you want to participate.**

****Chryse is looking for people to sell and buy ads for the show program**

****Our November meeting will be election of officers. Be thinking about what job you would like to have.**

The rest of the meeting was taken up with lunch and an auction of items. Many people brought wonderful things to auction (including several birds) and many people got involved in the bidding. The total of proceeds was over \$400.00 which will be used to fund our October bird show.

Respectfully submitted,

Sharon Byrne, secretary

Note: Nate and Tony had some shirts made up and will be wearing them at the meeting, and also bringing some artwork.
